university of applied sciences

Doing business internationally

Do you wish to be a game changer in the global market for trade in food, flowers and wood? Are you ready to contemplate future changes in international trade? Do you find innovation, marketing, change management, trade and entrepreneurship fascinating subjects? Then International Agribusiness and Trade is the degree programme for you.

Dynamic professional field

Did you know that, after the United States, the Netherlands is the biggest exporter of agribusiness products? Our robust international position offers you plenty of opportunities. Graduates with knowledge and know-how of international marketing, export, sustainability, consultancy, project management, trade and diverse cultures are in great demand. And for people who are enterprising and speak their languages. You will learn all this with us. Your expert knowledge of the agribusiness sector ensures you stand out. Will you be the international business expert who knows the ins and outs about setting up agribusiness chains or making them sustainable. Who will devise the innovative business solutions for the food questions of tomorrow? Who knows how to introduce new earning models? The world is your oyster!

Degree

Track of Agribusiness and Business Administration. Upon graduation you will receive a Bachelor of Business Administration degree. Accredited by the Accreditation Organisation of the Netherlands and Flanders (NVAO).

Duration

4 years, starting in September

Language

English

Admission

A secondary school diploma is required, which is equivalent to the Dutch havo diploma, e.g. International Baccalaureate diploma or A-Levels. It is highly recommended your diploma has a final examination in mathematics but this is not a mandatory admission requirement. You need to prove your English proficiency by providing a certificate issued by selected language institutions (TOEFL 80/IELTS 6.0 or other equivalent certificates).

Studying in Holland

Holland is well known for being open-minded, tolerant and internationally oriented. Study and living costs are affordable and the quality of Dutch institutions is well recognised. Off campus, you can explore the picturesque nature areas that surround our site in Velp on foot or by bike. Throughout the year, there are free festivals, markets and concerts where you can hang out with your friends and meet the locals. Amsterdam, The Hague, Berlin and Paris are only a short train journey away.

"From day one, I learned about complete production processes and supply chains, from start to finish. Very interesting!"

Nynke Schaafsma, graduate
