INTERNATIONAL BUSINESS

Your future in International Business

Do you like to operate across borders? Are you entrepreneurial and do you love to work together with others to achieve goals? Then, International Business for the Future might be the perfect choice for you.

As international trade is expanding rapidly across the globe, the need for companies to take responsibility for the future of the planet is gaining momentum. Companies are therefore facing a huge challenge. They need practical people who are capable and daring. Will you become the smart business professional that will help these companies innovate successfully?

The Netherlands are renowned for their expertise in export and international trade. At VHL, international and futureproof entrepreneurship are an obvious combination. The strength of this study programme lies in solving real business problems. So, you will not only have to develop smart solutions for company products, you will also learn to understand and integrate the bigger picture so that business profits everyone. Futureproof businesses focus on people, planet and profits. This is what makes International Business for the Future so different.

Admission

A secondary school diploma is required, which is equivalent to the Dutch havo diploma, e.g. International Baccalaureate diploma or A-Levels. It is highly recommended your diploma has a final examination in mathematics or economics but this is not a mandatory admission requirement. You need to prove your English proficiency by providing a certificate issued by selected language institutions (TOEFL 80/IELTS 6.0 or other equivalent certificates).

Studying in the Netherlands

The Netherlands is well known for being open-minded, tolerant and internationally oriented. Study and living costs are affordable and the quality of Dutch institutions is well-recognised. Off campus you can explore the picturesque nature areas that surround our site in Leeuwarden by foot or bike. Throughout the year there are several free festivals, markets and concerts where you can hang out with your friends and meet the locals. Amsterdam, The Hague, Berlin and Paris are only a short train journey away.

Theory - Practice

Individual - Teamwork

15-20 lesson hours per week

20-25 hours of weekly self-study

These facts and figures give an estimate of the time you spend on your studies.

Potential professions

- Change manager
- Marketing manager
- International sales manager
