Studying in the Netherlands

The Netherlands is well known for being open-minded, tolerant and internationally oriented. Study and living costs are affordable and the quality of Dutch institutions is well-recognised. Off campus you can explore the picturesque nature areas that surround our site in Velp by foot or bike. Throughout the year there are several free festivals, markets and concerts where you can hang out with your friends and meet the locals. Amsterdam, The Hague, Berlin and Paris are only a short train journey away.

Theory - Practice

Individual - Teamwork

10-15 hours of class per week

15-30 hours of weekly self-study

These facts and figures give an estimate of the time you spend on your studies.

Potential professions

- Emergency response advisor at the Red Cross
- Lobbyist for green change
- Rural development project manager
- Fair trade initiator
- Advisor climate change and sustainable production
- Developer support programme Cocoa farmers for Tony Chocolonely
- Food security specialist at the FAO

The world is at your feet when you are a graduate of International Development Management.

Come by for a visit or meet us online!

In addition to our open days, VHL also organises orientation days, one-on-one conversations with students and lecturers, as well as other events. For the latest information and registration, please visit: www.vhluas.com
